# Barcode Scanning

Any standard 2D barcode scanners will work with Seazona. You can find 2D barcode scanners on sites like Amazon: https://www.amazon.com/s?k=2D+barcode+scanner&crid=2LL58QA9DF6D6&sprefix=2d+barcode+scanne%2Caps%2C139&ref=nb_sb_noss_2

Barcode scanning from the Orders screen

1. You can scan barcodes from the **Orders** and **Shipping** screens by changing the search option to **Scan**

2. You can now scan barcodes from the lab slips or labels to have the orders automatically come up.

Barcode scanning from the Technician's Portal

The Technician's Portal has lots of scanning opportunities. Instructions are coming soon.
