

Integrate Seazona with Zendesk

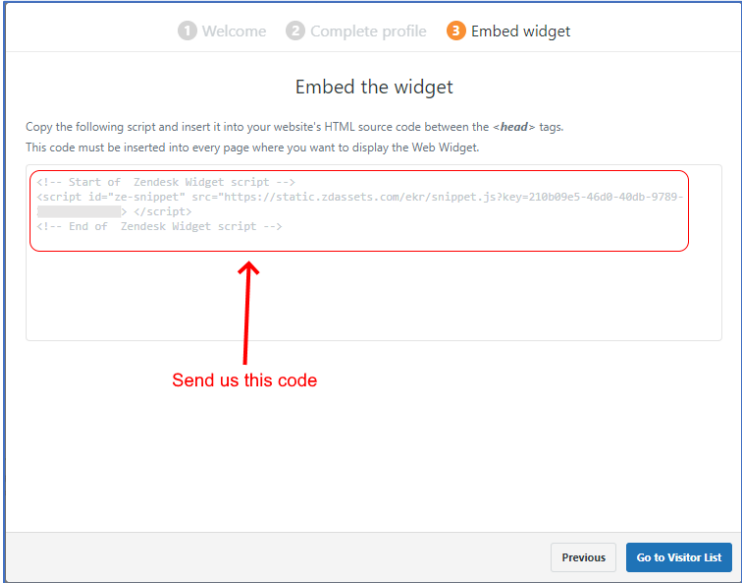

You can integrate your Seazona account with Zendesk, so that you can engage your clients in real-time over chat and messaging. You can view Zendesk pricing and setup an account here:

<https://www.zendesk.com/product/pricing/#support>

- 1. Under products select **Chat**

- 2. Complete signing up and send the widget code to Seazona account manager

That's it! We'll have your new Zendesk account integrated with Seazona within 24 hours.
