

Order Status & Colors

Order Status

- **New.** New indicates an order was submitted online and is ready for pickup or has not been received by the dental lab. If you are manually entering orders, you should set them to *In Production*, which indicates that the case is at the dental lab and is in the manufacturing process.
- **In Production.** The case is in the manufacturing process.
- **Complete.** Manufacturing is complete and the order is ready to ship. Once the order is complete, it will appear under the Shipping tab.
- **Shipped.** The order has left the dental lab. This is the last step and again, you do this under the Shipping tab.

What do the circle colors mean?

- **Red** - Past due
- **Green** - Due today
- **Yellow** - Neutral
